Forecast For Wales
Issued by Met Office Exeter
at 0400 on Friday 11 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rather cloudy today, but warm and sunny for the weekend.

Today:
A cloudy morning with some light rain and coastal fog in the south. Turning drier and bright from the northwest for the afternoon with sunny spells developing. Maximum temperature 20 deg C (68 deg F).

Tonight:
A dry evening and night with cloud clearing to leave long clear spells, although some low cloud may develop over highland areas through the small hours. Minimum temperature 10 deg C (50 deg F).

Saturday:
A fine and sunny day across the region once any early cloud has quickly burnt away. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Warm and sunny on Sunday. A fine and sunny for most on Monday, but turning cloudier in the north. Another fine day on Tuesday.
